

Slater Parks & Rec Spring Scavenger Hunt

MAY 1ST - MAY 31ST

Explore Slater's Parks and Trails - Participate in the 2022 Spring Scavenger Hunt!

Follow the clues leading you to a special location within our community's parks or trails. Once you've arrived, you'll find a QR code to scan using a smart phone or tablet. The code will lead you to a website familiar to our community to help you solve the word search puzzle. Completed puzzles should be returned to City Hall no later than May 31st. All families completing entries will receive a ticket to attend a pool party Wednesday, June 8th 7 PM at the Slater pool. (Immediate family members only.)

Good luck and happy hunting!

Clues

#1: Feeling thirsty? No water fountain will do. Get a drink they way farm kids do.

#2: It's a sunny summer day and it's time to play! After the climbs and slides, it's important to exercise our minds. Take a look here and explore the adventure within. Leave one inside for others to find.

#3 It is true, for the line I drew caused a rivalry between the two!

#4 Take a seat and rest your feet where the bees gather pollen.

#5 With my help you can easily cross keeping you safe from what's below, whether it is running fast or running slow.

#6 If you hit one to the fence and down the line it goes, how far it went this shows.

#7 What goes up, must come down. Turn it around to be found.

#8 I watch cars and bikes go by all day, I'm always here to offer protection from the rain.

Clues (Continued)

#9 Where a parent might wait for a toddler screaming "Wee!" Look below and you will see.

#10 From 1889 to 1989, Slater grew and prospered. A centennial celebration was necessary to say hurray for this town we so love. A package was placed under a rock that day to be opened in 50 years' time.

#11 Eating outside is sure to be messy and fun. To keep ants off this be sure to clean up when you're done.

#12 In the early days, homes and buildings were a challenge you know. This building was placed here to show such work. You can still see the labor in the stones and beams set on this dirt.

Where did each QR code take you?

RETURN TO CITY HALL BY MAY 31ST.
