

4-H GROWS HERE

The goal of the 4-H Program is to empower youth to reach their full potential through youth-adult partnerships and research based experiences. 4-H has four program priorities: Healthy Living, STEM, Leadership and Civic Engagement, and Communication and the Arts. These priorities are delivered through afterschool programs, at monthly club meetings, during special events, at camps, and at schools. 4-H encourages youth to Learn by Doing, which we reflect with the hashtag “Inspire Kids to Do”.

There are over 30 project areas in the 4-H program, and hundreds of ways that you can learn within those project areas! This means that youth will never struggle to find a topic that interests them. Share your PASSION by turning it into a PROJECT to share with others.

To join 4-H: Contact your local club leader!

The Palestine Peppy Pushers 4-H Club meets at the Palestine Lutheran Church in Slater, IA on the third Sunday of each month.
