Hello Slater!

Many of you are aware that we are raising funds to build a new library and community events center. For others, we understand this may be news to you. This new 18,000 square foot, 2-story **Slater Community Events Center and Public Library** will meet two community priority goals: 1) to offer much needed space for our popular library, whose program attendance is in the top 1% and circulation is in the top 15% in the state of Iowa; and 2) to provide a flexible event space for use by community members, businesses, and organizations. We invite you to learn more about the project by visiting <https://www.slaterlibrary.org/building-project/>.

We are excited to update you that we've exceeded 25% of our initial fundraising goal for the Library and Community Center project. We appreciate your ongoing support. We couldn't have made it this far without you! At this time, we still have a ways to go to reach our goal of \$7.6 Million.

We have several opportunities to apply for grants that will finance a significant portion of the project. For example, the Destination Iowa Grant focuses on revitalization and community growth. Destination Iowa Grant applications opened in May and are being accepted through the end of the year. In order to apply for this opportunity, we need to have at least 60% of our funds raised. The bond will allow us to meet this 60% threshold and apply for this and other grants that have similar fundraising requirements. Therefore, with the support and approval of our city council, we have made the decision to bond for a portion of the project, pending community voting approval.

We are asking the town to vote yes to issue a bond for up to \$2.5 Million. Rest assured that we will continue to fundraise and apply for eligible grants in the hopes that we do not need to bond for the full \$2.5 million.

Why \$2.5 Million? When combined with funds already secured, the \$2.5 million will provide us with the required capital to apply for several grants. If we end up receiving multiple grants, we will not use the full amount.

What does this mean for me? If the bond passes, your property taxes will go up slightly. For example: a \$200,000 house will see a property tax increase of approximately \$250 annually.

Why should I vote Yes? Voting YES will help reach our goal of breaking ground in early 2024. This facility will give Slater residents and businesses opportunities to grow and thrive as a community. It will provide our residents a place to hold family reunions, graduations, and weddings; businesses and organizations a place to hold meetings and events; and our library the space it desperately needs for their programs and materials. A thriving Main Street benefits us all.

How do I vote? There will be a special election held on Tuesday, September 13th. Voting will be held at the log cabin in Slater from 8 AM to 8 PM.

How else are we fundraising? The Building Committee, Friends of the Library, Community Club, and City of Slater continue to fundraise. The Main Street Market is being held weekly with vendor fees and donations supporting the project. There will be a fundraiser held at the Town Divided Tailgate. The Building Committee continues to reach out to individuals and local businesses for sponsorship and donations. The Committee and local businesses are collaborating on a Farm to Table Experience in October and are working on more events for the upcoming year, which we will share more on soon!

Have more questions? We welcome you to stop at our information booth at the Town Divided Tailgate on September 8. We are excited about this project and will be happy to share information and answer any questions you may have.

On Tuesday, September 13th please vote YES. YES for our community. YES for our kids. YES for our families.

Thank you for your continued support! Slater Community Events Center and Public Library Building Committee

Book Club

The selection for September is *The Maid* by Nita Prose. Discussion will be on Thursday, September 15 at 10 a.m. and 5:30 p.m.

"Molly Gray is not like everyone else. She struggles with social skills and misreads the intentions of others. Her gran used to interpret the world for her, codifying it into simple rules that Molly could live by. Since Gran died a few months ago, twenty-five-year-old Molly has been navigating life's complexities all by herself. No matter—she throws herself with gusto into her work as a hotel maid at the Regency Grand Hotel.

But Molly's orderly life is upended the day she enters the suite of the infamous and wealthy Charles Black, only to find it in a state of disarray and Mr. Black himself dead in his bed. Before she knows what's happening, Molly's unusual demeanor has the police targeting her as their lead suspect. She quickly finds herself caught in a web of deception, one she has no idea how to untangle. Fortunately for Molly, friends she never knew she had unite with her in a search for clues to what really happened to Mr. Black—but will they be able to find the real killer before it's too late?"

We will be going on our annual book club trip on Thursday, October 13.

This year we will be traveling to visit the Perry Carnegie Library Museum and enjoying lunch at the Hotel Pattee Café. The book selection is *The Book Woman of Troublesome Creek* by Kim Michele Richardson.

"The bestselling historical fiction novel following Cussy Mary, a packhorse librarian and her quest to bring books to the Appalachian community she loves."
