Book Club

The selection for November is *The Secret Book of Flora Lea* by Patti Callahan Henry. Discussion will be on Thursday, November 16th at 10 a.m.

When a woman discovers a rare book that has connections to her past, long-held secrets about her missing sister and their childhood spent in the English countryside during World War II are revealed.

In December, we will read *Away in a Manger* by Rhys Bowen. Discussion will be on Thursday, December 21st at 10 a.m.

It's Christmastime in 1905 New York City, and for once, Molly Murphy Sullivan is looking forward to the approaching holidays. She has a family of her own now: she and Daniel have a baby son and twelve-year-old Bridie is living with them as

their ward. As Molly and the children listen to carolers in the street, they hear a lovely voice, the voice of an angel, and see a beggar girl huddled in a doorway, singing "Away in a Manger." Bridie is touched by the girl's ragged clothes and wants to help her out if they can. They give her a quarter, only to watch a bigger boy take it from her. But Molly discovers the boy is the girl's older brother. They've come from England and their mother has disappeared, and they're living with an aunt who mistreats them terribly.

Thank You!

We want to give our heartfelt appreciation to those that helped make the Gather event a success last month. It took countless hours of volunteer hard work and many generous sponsors to pull off this extraordinary community experience. The weather, decorations, food, and company were all top-notch!
