City of Slater Fireworks Ordinance Survey

The City of Slater is asking for your input on the current fireworks ordinance and what types of changes you would like to see – if any. You can complete the survey via paper or electronically. **Surveys are due by 12pm/noon Wed., Nov. 6.** If you'd like to read the current fireworks ordinance and/or how Iowa defines fireworks prior to filling out the survey, we've included that info on the following page. The link and QR code to the online survey are also located on the next page.

Survey:

1. How would you like the City of Slater's fireworks ordinance to read? Mark as many of the options below that you are in favor of. *If you feel these choices are restrictive, we're allowing you the opportunity to communicate your thoughts/suggestions regarding the fireworks ordinance in Questions 2 and/or 3.

- ☐ Keep the ordinance as it currently reads.
- ☐ Keep the ordinance as it currently reads, but add: *No bomb-type explosions/"window-shakers".
- ☐ Ban **ALL** types of fireworks in city limits. This includes: Display, Consumer, Novelty, and whatever the bomb-type explosions/window-shakers classify as.
- ☐ Ban **ALL** types of fireworks in city limits, with the exception of Display fireworks operated by City officials only, and for city-related events only.
- ☐ Restrict the dates and times fireworks can be shot off - even further than what the City's ordinance currently reads.

2. How are you proposing the city take action if the ordinance is broken? Verbal conversation/warning? Issue a written warning? Issue a ticket with a fine? Fine amount?

3. If you feel your choices were limited in this survey and you weren't able to fully express your thoughts/ideas regarding the fireworks ordinance, please feel free do that in the space below and/or on a separate sheet of paper if you need more room.

End of Survey. Thank you for participating. Paper surveys can be mailed to Slater City Hall, PO Box 538 or dropped off at one of the city's drop boxes. **Surveys are due by 12pm/noon Wed., Nov. 6.**

Iowa defines fireworks in three classes:

-Display Fireworks (formerly known as Class B or 1.3 G) - These devices are used in community displays run by licensed professionals.

-Consumer Fireworks (formerly known as Class C or 1.4G) - These devices are most commonly sold at neighborhood stands, commonly including firecrackers, bottle rockets, and Roman candles.

-Novelty Fireworks - These are small devices that produce limited effects such as sparklers, snap pops, and snakes. These are not regulated.

The City of Slater's current fireworks ordinance reads:

41.12 FIREWORKS USE

1. Definition. (shall remain the same) The term "fireworks" includes any explosive composition, or combination of explosive substances, or articles prepared for the purpose of producing a visible or audible effect by combustion, explosion, deflagration or detonation, and specifically includes blank cartridges, firecrackers, torpedoes, skyrockets, roman candles, or other fireworks of like construction and any firework containing any explosive or flammable compound, or other device containing any explosive substance.

2. Regulations. A person shall not use or explode consumer fireworks on days other than July 3rd, 4th, and 5th and Fridays and Saturdays preceding July 3rd, 4th and 5th from June 1st to July 8th and only during the hours of 12:00 pm (noon) to 10:00 pm on those specified days from June 1st to the Saturday after 4th of July; December 30th of each year from the hours of 4:00 pm to 10:00 pm; and December 31st of each year starting at 4:00 pm through January 1st ending at 12:30 am.

A person shall not use, explode or discharge Consumer fireworks on real property other than that person's real property or on the real property of a person who has consented to the use of consumer firework on that property. A person shall not use, explode or discharge Consumer fireworks on publicly owned property, included but not limited to, City streets and parks, except as specifically authorized by permit issued pursuant to the City of Slater Code. A person that chooses to use, explode or discharge Consumer fireworks on their property shall have responsibility to clean up all debris created by the fireworks.

The City may, upon application in writing, grant a permit for the display of fireworks by a City agency, fair associations, amusement parks and other organizations or groups of individuals approved by City authorities when such fireworks display will be handled by a competent, trained, and insured operator. No permit shall be granted hereunder unless the operator or sponsoring organization has filed proof of such training and insurance.

Any person in violation of this Ordinance shall be fined \$150.00 per incident.

The selection for November is *The Frozen River* by Ariel Lawhon. Discussion will be on Thursday, November 21st at 10 AM

Overview: Maine, 1789: When the Kennebec River freezes, entombing a man in the ice, Martha Ballard is summoned to examine the body and determine cause of death. As a midwife and healer, she is privy to much of what goes on behind closed doors in Hallowell. Her diary is a record of every birth and death, crime and debacle that unfolds in the close-knit community. Months earlier, Martha documented the details of an alleged rape committed by two of the town's most respected gentlemen—one of whom has now been found dead in the ice. But when a local physician undermines her conclusion, declaring the death to be an accident, Martha is forced to investigate the shocking murder on her own.

Meet n' Eat is scheduled for **Friday, November 1st**. A free-will lunch will be served at **11:30 AM** with our guest speaker, Monica Schmidt, giving a 60-minute presentation delineating the differences between the literary Sherlock Holmes and the Holmes of pop culture.

SAHA IS RECORDING HISTORY – SLATER'S MAIN STREET

Board Members Mary O'Donnell, Barb Mallon, Don Rimathe and Elaine Raines untangle the clues of Slater's Main Street History

Recently Barb Mallon and Mary O'Donnell presented a program at the library about the history of our Main Street. It was a brief overview of a huge project which is going to result in a **permanent exhibit** at Slater's Heritage Hall Museum.

It started with a search for Main Street maps, plat information and record searches. Soon it became evident that Slater folks were pretty loose with their recordkeeping in the "old days", and each lot had incredibly varied histories with new evidence popping up all the time. Casual comments from visitors like "***I remember when my great-uncle's father-in-law's brother had a store behind the hotel...***" can lead down a long path of frustration and then discovery!

The exhibit will include many photos and large street maps with listings on each lot of its occupants from about 1890 to the present.

**Look for the exhibit
opening in 2025**

We need your help. The City of Slater is updating its Business List for the city's website so residents have a resource available should they need ideas of who they can contact for professional services. Any local business that has a Slater address, is registered with the state, and has a Tax ID # is welcome to have their info on this list. Please take a look at the current Business List on our website (under the 'Business' heading) and contact us if you'd like us to add, omit, and/or revise business info for you.
