Permit Review Times

Please expect Safe Building to *begin* reviewing a submitted permit within 5 business days of receipt. Safe Building will complete its initial review of submitted permit materials within 3 business days of beginning the review. These lead times result in a total initial review time from receipt of 3-8 business days. Please anticipate this lead time when submitting a permit. If any of the materials listed below are missing or deficient this review period *will* be extended.

Required Supporting Documents

- **Site Plan** that includes:
 - setbacks from property lines
 - accessory structure dimensions
 - distance to existing structures
